

South Carolina Counseling Association

Dear SCCA Members and Other Friends,

It was great to reconnect with everyone at our annual conference in February. Thank you all for making an effort to attend and engaging with us. We have received feedback from conference attendees and will take all comments and concerns into consideration during the planning of the next conference. If you were not able to come this time, we hope you will be able to attend and bring friends next year. Mark your calendars for February 25-27, 2016, for our next conference. We will be at the beautiful Westin Hilton Head Island Resort and Spa once again.

Our organization is currently going through a transition period in which my time as President of the SCCA is coming to an end. I want to thank you all for the memories and experiences, it has been my distinguished honor to serve as your SCCA President over the past year. Moving forward you will begin to receive updates from the new board in July.

Please visit our website, www.sccounselor.org to view conference photos, our new online journal, updates from our Twitter account, as well as space for you to leave questions, comments or concerns.

Sincerely,

Doris Nelson

Doris Nelson, SCCA President 2014-2015
